# PRESIDENT'S REPORT

## President, Andrew Gault

It is with immense pride and profound appreciation that I present the Annual Report for the Palm Beach Surf Life Saving Club. This document reflects the exceptional achievements and the unwavering dedication of our members, volunteers, staff, and sponsors over the past year.

Firstly, I am elated to report that there were no fatalities under our watch this year, underscoring the remarkable commitment and skill of our lifesaving team. Their exhaustive training and dedication have been crucial in performing numerous critical rescues throughout the season, often extending beyond the confines of our club. I extend my deepest gratitude to our training staff and volunteers for maintaining and elevating the lifesaving skills that have proved vital in protecting beachgoers.

I extend my sincere gratitude to our Board members for their commitment, insightful strategic direction, and leadership, which have been instrumental in developing our strategic plan alongside the Supporters Club. The Operations Committee also merits special recognition for their steadfast dedication to enhancing our service delivery and ensuring the seamless operation of our club.

Our Nippers program has enjoyed another good season, showcasing the vibrant community spirit at the heart of our club. It has been a delight to observe our Nippers on Saturday mornings, engaging enthusiastically in activities that build their aquatic safety skills. Their commitment to learning and their joy in participation are indeed commendable.

Our Youth Development Program has been successful in fostering not only social engagement among our younger members but also a strong sense of community service. It is uplifting to see our youth take on significant roles, such as Age Manager and water safety responsibilities, which further their impact within the community.

**This year's competitive season was marked by solid performances across all age groups - Nippers, Seniors, and Masters. These successes are a direct result of the dedication of our coaching staff, who have been pivotal in guiding our athletes to excel. Special thanks are due to our volunteer coaches, whose expertise and dedication have been invaluable.**

**Our heartfelt thanks go to our Palm Beach Surf Club Supporters Club for their ongoing financial and administrative support, both of which have been crucial to our success. We are also profoundly grateful to our major sponsors, Cru Collective, among others, for their generous support and partnership.**

**To our dedicated staff, I offer my heartfelt thanks for your tireless efforts. Your passion and commitment are fundamental to the success of our club.**

**Lastly, I wish to commend our patrollers, the unsung heroes who diligently ensure the safety of our beaches. Your selflessness, dedication, and bravery are not only admirable but inspirational.**

**In closing, the collective efforts of our members, volunteers, staff, sponsors, and patrollers have been instrumental in the success and positive impact of our club. As we look to the future, I am filled with anticipation and confidence in our continued mission to promote safety and protect lives on our beaches. Here's to another year of exceptional achievement and community service.**

**We reached a significant milestone this season in paying off \$2m loan borrowed in 2014 for a major renovation of the Supporters Club that included a new bar, dining areas, amenities, reception area and an upgraded external facade. Due to diligent financial management and strong profits from the Supporters Club the loan was paid out in May this year.**

**Yours Sincerely**

**Andrew Gault**

# TREASURER'S REPORT

The 2023-24 Financial Year saw the club continue its steady operations after the prior few years. The club reported a much-improved financial result and continues to be in a strong financial position. Further, through their continued support and well-run business, the Supporters Club have facilitated the repayment of the NAB Loan, with the surf club now essentially debt free for the first time in many years.

Once again, the ongoing support provided by our Supporters Club and valued partners has enabled us to continue to reach much improved levels of revenue whilst maintaining prudent levels of expenses. We appreciate and thank the Supporters Club for the invaluable contribution they make to the Surf Club each year. In addition to providing essential financial support that allows the Surf Club to operate, the Supporters Club plays an important role in maintaining our physical assets plus joins with us in sourcing and maintaining our major financial partners.

Both clubs continue to be in an excellent financial position and this provides a strong base for the future of both clubs.

We are grateful to our sponsors who continue to provide valuable financial support that allows us to maintain our Club facilities and investment in essential equipment, thank you.

I refer members to the financial report section of the annual report for a more detailed understanding of the Clubs financial performance over the past financial year.

# CLUB CAPTAIN'S REPORT

It's that time of year that we see the end of the season, as the weather starts to cool down and we see the end of another busy year. As the Red and Yellow army takes a well-earned rest, the admin and operations team start to turn our minds to the new season not all that far away.

Personally, and on behalf of the Club and Operations Committee we would like to thank you all for volunteering, to help fulfil our commitment to the Surf Life Saving movement, and keeping our beach safe again throughout another crazy, busy season. To us and the public you are the most valuable people in the country and give of your time to keep our little patch at Palmy, safe.

The off season will be a busy time for the committee, for the Chief Training Officer, who will be looking to recruit others, to obtain training qualifications and build further depth across our club, in turn enabling us to spread the load. There will be, further training of new IRB Crew and Drivers, which again strengthens the depth we have in our Patrol Groups. We encourage you as patrollers to explore the opportunities on offer, for you to build your skills, and look to seek out new awards that are not just for you to apply on the beach and are transferrable to your everyday life and career goals, with employers likely to look at your skills positively. Patrollers, please take the opportunity to ask your Patrol Captain what they think would benefit the patrol you are in. Patrol Captains please engage with your team members and ask them if they have interest, in any award that would help to build depth in the patrol group and ultimately the Club. Areas we regularly look to build depth are Silver Medallion (Patrol Captain), ART, IRB Drivers and IRB Crew. SRC's please ask about upgrading to Bronze.

Although this season demonstrated to me and the committee, as it has in the past that, through adversity our club shines. As always, we all pull together to cover the gaps and jump in to help to keep Palmy safe. We also look to build on our successes from recent seasons and develop further leadership within Point Danger Branch on our Life Saving and Patrol capabilities. The realities of declining numbers within volunteering continue to be a major hurdle for the movement, which means we need to take up the challenge to continue to support each other, and to build on the mateship and friendship that is the Palmy family.

Palmy's reputation as a family-oriented club hasn't happened by mistake, we are inclusive we welcome new people, we care for the people we have in the club, we respect all members and whatever their contribution, we share the load where we can, we foster our young nippers and junior members and encourage them to grow and live the values of the club Respect, Unity, Inclusiveness and Involvement. If we can achieve all of this, the club will be secure and will provide a platform for the young to develop and grow and seize the opportunities to become the next leaders of the Surf Life Saving Movement.

For a sustained period now the Surf Club Committee have laid the foundation for the club to support lifesaving, with continued investment in new assets and gear, and the employment of valuable staff that can further support the ongoing building of a sustainable and welcoming club. This has been greatly enhanced by the consistent and enduring committee that have delivered financial responsibility to see the club debt free for the first time in a very long time. This ensures a bright future, where we look forward to welcoming you back to the beach for season 24-25 and look forward to catching up with you on the beach. Please take the opportunities on offer to grow and develop within the club and together we will keep Palmy safe now and further into the future.

Sincerely  
Greg Clark  
Club Captain (Palm Beach Queensland)

# EDUCATION REPORT

It has been a season of challenge and change. The change of administration procedures early in the season proved to be challenging in terms of training and assessing students. With this in mind I am extremely grateful for your patience and grateful for the efforts of the administration staff to ensure our members, future members and community were supported and front of mind.

Our volunteers are essential for the success in the day to day operation of our Palm Beach Surf Life Saving Club. Without you it wouldn't be possible to provide the service to the community. With over 50 newly qualified Bronze and SRC members this season I can only imagine how many preventative drownings, and injuries will take place because of this. We start this process young as well. Our nippers can enjoy the education, challenge and culture of thriving in healthy activities within a controlled, safe environment. This concept of learn through play is not just for the young ones. Adult training and learning experiences take place each week, and it is fantastic for our community to see in action.

A youth development camp took place over the school holidays at Tallebudgera Rec Centre, where our young people learnt through over 70 different scenario based activities, in and out of the water. Trained actors were employed to randomly fall victim to injury and illness throughout the week, so it would not be uncommon for a person to collapse or choke in the middle of the dining hall. Such a valuable experience for these young people, while obtaining qualifications and certification such as Advanced resuscitation and IRB crew.

The willingness to support, learn and challenge ourselves, is in abundance. We have the foundation for some seriously life-changing experiences for our members, all while making us better equipped to guide and support the community as well as look after our environment. I look forward to the engagement Palm Beach Surf Club has with its new and existing members, leaders, learners, and teams.

In the new season I would like to challenge our existing members to two things.

1) Invite a friend to become a member. This is a simple and achievable step to ensuring we increase our numbers. Although we are all good at giving our time, we are also very busy in our lives. The more members we have, the greater the opportunity we have to share the load and increase our patrol numbers. This way if you can't make a patrol, you can rest assured you have sufficient members to staff it.

2) Complete Skills Maintenance early. Providing the time and space to maintain our competencies is crucial for our members. The start of season is extremely busy with nippers and new Bronze and SRC courses to facilitate. By leaving the skills maintenance until the last minute often makes it difficult to catch people up. Please find a date as early as possible to ensure that the final allocated time slots are used to tidy up unique cases ie: people returning from abroad or from injury.

Lastly, I would like to thank Richard Andrews who gives his time, time, and time again. He has also donated several CPR mannequins for the ongoing training of our members after our last lot were no longer suitable to use. I would also like to invite Donna Riley back from her work commitments out Western NSW. She has hung up her Cowboy hat and replaced it with a Noddy. She is excited to be returning as CTO of our fantastic club and as always she will be welcomed with open arms I have no doubt.

Warm Regards

Matty Barber

# **SURF SPORTS OFFICER'S REPORT**

**Season 2023/24 kicked off with a lot of happy, excited and super keen nippers, parents, coaches and senior athletes.**

**So great to have the returning Coaches of Ky, Colleen (Coach Wal) ,Ben and Lou to support, grow and encourage our athletes.**

**Our club training program was full to the brim with opportunities for all members of all abilities and focus.**

**The beach was covered with Coach Wal and her crew sand dancing every Tuesday and Thursday afternoons, these sessions provide our members with diligent rules, practices and speed for competition days and club champs.**

**Ky Hurst brings along more than just his amazing skillset, he is a strong leader with an ability to make everyone feel welcome. With so many of our u14 age group joining the senior board group we had strong numbers especially when the surf was pumping. Ky is both a board and oceans swim specialist pushing our skills to their limits.**

**Ben and Lou covered the Nipper sessions on Wednesday and Friday afternoons, building confidence, courage and skills for all involved. The Wednesday sessions are a great way to develop water skills, explore craft and have some fun. We also saw Ben covering the 2 swim sessions at Talle Pool with the help of Lou and Craig being the volunteer life guards for each session. We saw so many achievements in the pool over the season proving how valuable it is to keep up those kilometres following the black line.**

**Ski session started on the creek with Lou developing skill sets, building endurance and confidence on the craft, as we got closer to competition time we moved to the surf and challenged the waves from the beach.**

**Our Nipper season started with strong numbers on the beach each Saturday and throughout sessions during the week. With this growing confidence and support we saw our competitive numbers grow, alongside this we required a larger number of officials, water safety and IRB drivers and crews. Working along side the ever amazing carnival coordinators and the JAC, a change to our cub competition policy to include a parent to official or provide water safety for each event was created and has proved a big success. This will help as we encourage higher competition numbers for next season.**

**Each carnival showcased our diversity throughout the club in both water sports and beach, our athletes coming home with medals in both fields. With Branch being cancelled for our littlest nippers, our u11's -u14's rose to the occasion in big swell, strong currents and challenging conditions. It was wonderful to see so many outstanding results and that each of athletes cheering and supporting in all arenas.**

**State Nippers saw big wins on the Beach with Koa T taking our bronze in the sprint and Ty and Fletcher attended their first Aussies on the Sunshine Coast with some amazing results in Board, swim and iron events. Ty would go on to place third in the surfing comp at Coolum Beach.**

### **Seniors**

**Our senior group started off strong with large numbers of old and new, even though we did lose a few along the way, the group were focused and growing. We saw the group branch out to race in Oceans 38, Summer of Surf, States and Aussies.**

**States bought about some great results in team events and individual. Hayden Campbell making the State board final for u17 coming home 6th.**

**Our girl Hannah brought home the team at Aussies by competing in her first Ski race and board. The surf was big and with large currents, this took bravery and courage and she did it in style.**

## Masters

With Branch being cancelled, States and Aussies was our chance to compete and share in a few days of fun team events.

Our little team of 6 showed great skill in both the water and the beach events; the Masters allrounders were proud to be in the Blue and white.

States saw achievements in board, board teams and Taplin along with beach events in the 2km run, sprints and flags. Palmy took out 1, 2, 3 in the beach sprints and we even saw some gold in the flags.

Aussies was a challenge on the Sunshine Coast with the largest number of competitors we have seen in the last few years. With blue skies and huge swell, the water arena proved tricky and trying of our skill set. The beach events were filled with fun and we even had a bronze result in the flags.

As we plan for next season, it is wonderful to look back with gratitude to all the wonderful community who are always there to lend a hand with tents, equipment and support for all our members. Taking on surf races, board events and running all take courage from our most experienced to our newest members. We are about having a go and supporting our team mates. We focus on building our competitive numbers, growing our officials and water safety team and provide opportunities for all members to grow their ocean knowledge, skills, competence and love of being safe at the beach.

See you on the beach next season.

Lou

# YOUTH DEVELOPMENT

## Surf Lifesaving Youth Development Camp

The Lifesaving Development Program is an education program that allows members to gain a number of lifesaving awards in a short space of time. Program participants will gain a number of awards including First Aid, Advanced Resuscitation Techniques and IRB Crewperson OR Silver Medallion IRB Driver. Participants will also be exposed to additional skills and development opportunities including pathways, teamwork, leadership and lifesaving operations. The Lifesaving Development Program training method uses the Experiential Learning Theory (ELT) education model. ELT uses scenario-based training to give candidates the opportunity to experience realistic emergency scenes to practice their lifesaving skills. Scenarios are designed and conducted under the guidance of specially trained facilitators and safety officers. While evaluations of the past programs highlight the value of scenario-based training for development of candidate skills, some participants may feel some emotional stress participating in such realistic training.

“Lenny here, I just wanted to thank you for the opportunity to go on the life saving development camp. The things I found valuable was all the experiences that boosted my confidence such as high stress situations that we had to handle and be first aid to. The standout moment was going on the IRBs and wave jumping and doing patient pickups. Thank you  
Regards Lenny”

“I would like to thank you all for the opportunity that you gave me to go to the surf lifesaving development camp.

One thing that I thought stood out to me was the IRB course and jumping the waves in the boats.

Thanks, Ziggy”

“I would like to thank the surf club for sending me on the youth development camp because I learnt new skills, met new people and expanded my choice of options to do after I leave school.

I really enjoyed when we had to build the rafts because I learnt the buoyancy of things and how to make the best raft possible. I am glad we got good food because it keeps us energised for our daily activities.

I enjoyed the early morning run, swimming in the waterfall and it was cool to have Isaac Allport as my camp leader. He showed us a lot of the sharks he had spotted on the drones.

I was amazed at all the roles that you can do in surf lifesaving. It was good to hear that surf lifesaving was getting into doing natural disaster cleans ups as well. I was glad I met new people from other surf clubs. The people, place and the food were more enjoyable than last year. Thank you again for allowing me this opportunity.

Digby”

# JUNIOR ACTIVITIES REPORT

I want to personally thank all the volunteers that helped in every session, in every way, in every role, on every morning throughout our season. Our Club cannot operate without a FULL LIST of amazing volunteers to help serve all our Nipper age groups. EVERY one that committed to a role this season are so valuable to what we're trying to do for our Palmy Nippers Family!!

We want to hugely thank the following Junior Committee volunteers for this season:

## **Age Managers:**

Massive thanks to our amazing Palmy Nipper Coaches: Louise Ruff, Ben Cox, Ky Hurst, and Colleen Te Heu Heu Tukino. Plus all the Palmy parents that came to the sessions to help on water safety for our nippers. Our partnership with coaching and Saturday nippers is a great level, but super keen to ramp our competitive Palmy spirit over the next few seasons in taking our Palmy Family to loads more carnival experiences!! See the Surf Sports section for their report.

EVERY adult Palmy volunteer is super amazing because they are giving their own time and energy to our Palmy Nippers, and I want to make special mention to our Age Managers Team for the amazing amount of time this crew put into so many areas for our Nipper group. From planning, to facilitating, to reflecting and evaluating sessions, to make sure every nipper, in every group is looked after and feel encouraged and feel valued. You guys are next level!!!

We also want to thank our amazing water safety team that helped in every session this season. These are the parents, older siblings and older Nippers that have completed their SRC or Bronze Medallion course that make our water activities safe for our Nippers. They're the ones swimming out with our Nippers, helping on boards and being in the water for the wades. Special mention to our season Water Safety leaders including Bayden Skelley, David Webb, Ben Tidey, Adam Jackson, Ray Blane. You guys have been amazing keeping all our Saturday Nippers sessions controlled and safe for all of our Palmy family. These guys are the BEST!!!!

Let's keep up-skilling and building our parent Water Safety team for the next few seasons. Our goal was to make sure every Nipper and all families enjoyed their Saturday mornings together building friendships and confidence in the ocean. Our season had heaps of fun and enjoyable moments, some down moments in the weather, some amazing competitive moments, and overall, a memorable season.

Some of our season highlights included:

- SRC weekend with our U14s
- Nipper training sessions that ran every week of our season
- Palmy parents upskilling to help volunteer in specific roles like water safety and officials, awesome!!!
- Raffles in the Supporters Club
- Pirate Park Creek Sessions
- Palmy Parents vs Palmy Nippers sessions!!! Go Parents!!!! haha
- Christmas Nippers Session with Santa
- Point Danger Branch Carnivals
- Junior Teams Carnival held at our Palm Beach Surf Club
- State Championships at North Kirra SLSC
- Nipper End of Season Presentation at Elevation Church

Planning has already started for our next season, and we're super excited about spending another amazing Nippers season together again. We hope all our Nipper families love being involved in our Palmy Surf Club, our Nipper program and are proud to be a part of our Palmy Family!!!

The whole point in families doing nippers together is for the whole family to learn specific skills, spend time in the ocean, and be confident in the water. The more people that are confident in the water, the safer our beach communities will be. SO... getting more Palmy parents involved (not just our awesome nippers) next season is our major aim! Palmy Parents as age managers, as water safety, as officials, as Palmy parent competitors, on the BBQ, on the Junior Committee, on Patrols, — where will you be involved!!!

Thank you again for everyone's support for this season, it honestly was a pleasure looking after our amazing Palmy crew!!!

**LOVE OUR PALMY FAMILY!!!**

Yee Haa

# GRANTS REPORT

Our Club continued to have a successful season seeking out grants to upgrade lifesaving vehicles and accessories, provide equipment for our Nippers and Surf Sports programs and to generally maintain our clubhouse to a high standard.

Grant success last season enabled the purchase of the following items in 2023/24:

- A new patrol trailer, Kawasaki 6-seater SSV and an IRB motor for our lifesavers.
- Upgrades to our club facilities to increase storage for training and education delivery equipment.
- Funds to upskill two volunteer members as pool lifeguards to support our sports training delivery.
- A Search & Rescue kit for Nippers and Patrol use.
- Marquees for Nippers and carnivals.
- A more robust BBQ to serve our hungry Nippers each Saturday.
- Patrol uniforms to outfit our new recruits and provide replacements for current serving lifesavers.

Successful grant applications submitted this season which will benefit members and our community in 2024/25 include:

- Tugun Community Bank: funding approved to purchase IRB safety kit including 6 x personal flotation devices (PFD's) and a store of club-owned wetsuits.
- Beach Safety Equipment Fund (Surf Life Saving Australia): an IRB motor replacement, another 6 x PFDs, first aid equipment and devices including pulse oximeters, bleeding control kits, first aid equipment storage bags and a compact suction unit.
- Federal Government Volunteers Grant: \$1649 towards tablets for our Nipper sign on.
- Queensland Government: \$7,500 to support programs and purchases to encourage more women and girls in sport.
- SLSQ funding of \$32,500 for Club Facilities Maintenance.

Further grant applications have been submitted with outcomes to be determined later in the year. These include an upgrade of our club dormitory; replacement of office technology; equipment and training to support volunteers; and education and surf sport programs to encourage more women and girls into the club. With thanks to our club volunteers Anna Carroll and Leesa Monaghan for submitting the very detailed 'Play Our Way' application!

**Our Club is sincerely thankful to the following entities for their support and funding this season:**

- ❑ **Australian Government**
- ❑ **Queensland Government**
- ❑ **Queensland Fire and Emergency Services**
- ❑ **Surf Life Saving Australia**
- ❑ **Surf Life Saving Queensland**
- ❑ **Tugun Community Bank**
- ❑ **City of Gold Coast**

# MCPHERSON COMMUNITY AWARD RECIPIENTS

Massive congratulations to our club members who accepted their McPherson Community awards for volunteer excellence in surf lifesaving.

Lou, Codey and Ben are stars across so many facets of the club and this is well deserved recognition for their time and commitment to Palmy.

Surf Lifesaving is built on volunteers and club members from across the electorate were congratulated this morning, along with other residents who are invested in our community.

**Our Club has sadly farewelled two of our long serving members and Life Members this season.**

**Colin Paterson – Capt Col (3/12/1937 - 17/11/2024)**

**On the 17 November 2023 we said goodbye to Colin Paterson, Brother, Uncle, Father, and Grandfather.**

**Better know to many as Captain Col, but to us he was GPa.**

**As we know Dad was a bit of a gypsy, we travelled a lot before settling in Brisbane. Dad loved caravan life, I did not!! I remember crossing the Nullabour plain while it was still red dirt and being stopped to trade oranges with the aboriginals. We moved to the Coast not long after the 1974 Brisbane floods. Dad soon re-established his passion for SLS with us being so close to the beach. It wasn't long before he made Palm Beach SLSC his home away from home. Dad was just an absolute hero to us.**

**He was always thinking about ways to do things better, gadgets, knocking up something. Even going as far as building an aluminum surf ski that he and Dennise Drake would paddle out to the reef to fish for Mackerel. Most of our fondest memories of Dad evolved around his Surf Club Life and the high jinx that went with it. Lots of wonderful memories.**

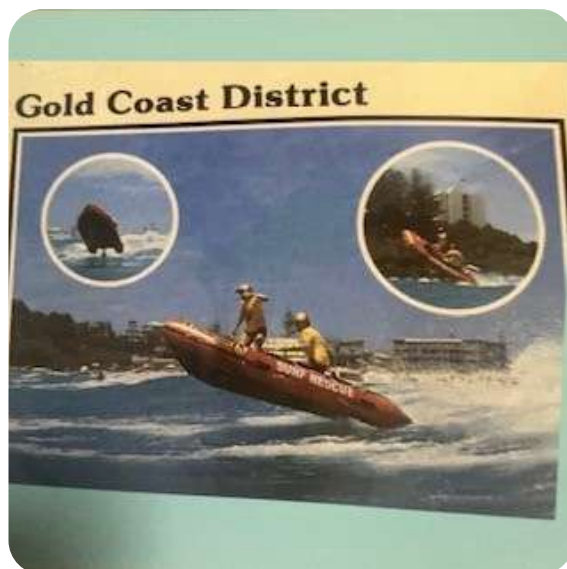

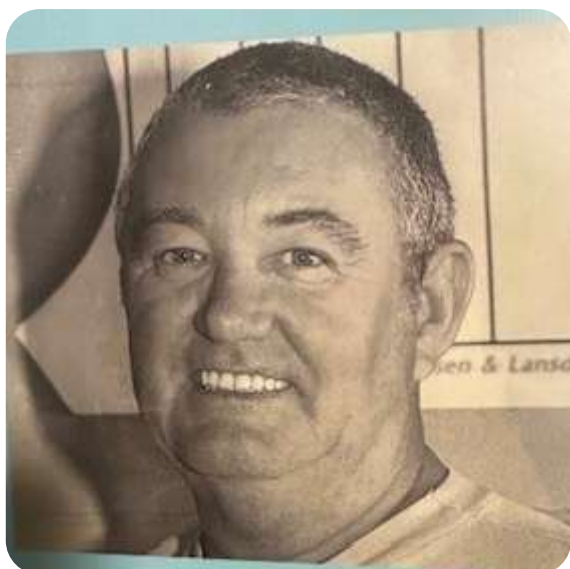

**When Dad walked away from the Surf Lifesaving movement his time was taken up traveling, his and Mums passion was to see as much as they could and here again sees them taking off for 2 years they travelled around Australia with 'Jake' the big F100 towing a van. They then settled back on the Coast and became very hands-on Grandparents.**

When Dads' wife, our beloved Mother Delores, passed in May 2017, a big part of Dad also died he was never really the fun-loving man after that. Dad was a giver and a doer. Would always offer help and advice.

His memorial at the Palm Beach SLSC was very overwhelming for my brother and I to the point that we both couldn't talk. It was very humbling to hear all the stories of just how much of an impact that he had made to so many. Our deepest heartfelt thanks goes to the club and those that travelled so far to attend the day. There are no words.

**Ken Bagnall (20/01/1934 -20/03/2024) 90yrs Young**

**Dad would have been so happy having his celebration of life at Palm Beach surf club as he told me many times, he wished to have his ashes spread out to sea in front of his favourite place. The surf club was a place that held a lifetime of wonderful memories.**

**Ken joined the surf club in the season 1950/51 with his mate Gil Graham both gaining their Bronze that season. In this era Dad would tell me that they'd often hitch hike down to the club from Brisbane until the time came that Gil got himself a motorbike with Ken as the designated pillion passenger. In the 50s Ken represented the club with great success and won consecutive State beach flags championships in 56/57 and 57/58 seasons. In 1956 himself and Maurie Webb were honoured with being the Olympic Torch Bearers for the Gold Coast legs of the 1956 Games held in Melbourne.**

**Many older members would recall events that no longer exist including pillow fights and the chariot race. Ken loved participating in these and as you walk up the stairs of the surf club you can see Ken as the jockey with his great mate Guru Luka leading the charge in the chariot race!**

**After some years away during the mid-70s Dad took active roles within the nippers working with good friend and club stalwart, Andy Frizzell. Ken always offered himself to coach at club level with great success. For many years he was beach coach of the Queensland nipper teams, coaching many including myself and Tony Rapallo; both of us have fond memories of Dad's enthusiastic coaching.**

# Vales

Ken was well entrenched in the Palm Beach Surf club at this stage and his long-term commitment led him to gain his well-deserved Life Membership in 1979.

Other positions held along his journey included:

- 1984/85- Vice Captain
- 1985/88-Vice President
- 1988/89-Club President

The Palm Beach Surf Club played an integral part in Ken's celebration of life. I was in awe of all the kind hearted members who helped Ken's final wishes come to fruition. It is times like these that I think how grateful I am to be a member of this mighty club. My family were overwhelmed by the support Ken received on his passing.

Thank you

Geoff Bagnall and family

# Thank you to our sponsor & supporters

We were pleased to welcome back many of our sponsors and supporters in 2023/24 as well as new supporters who joined our Palmy Family.

Cru Collective returned as Gold Sponsors. Cru's financial support assisted our 800+ lifesavers and nippers throughout the season. Larissa and team at GG Enviro once again educated and entertained our families visiting our Supporters Club with fun and educational activity packs.

Next Payments, supplied the club with our cash counting machine—nicknamed Bertha last season and still provides a very kind donation of \$5000 each year.

The support provided by our Bronze supporters in Diverse Air-conditioning, Quirke Electrical, Currumbin Picture Framing is extremely appreciated. Thank you to these businesses for their support of our Club.

Last but by no means least, a huge thank you to our Palm Beach Surf Club Supporters Club which continues to operate to great success and provide the largest financial support to our Club. Having a profitable and successful Supporters Club means our Surf Life Saving Club volunteers and staff can focus on what is most important—ensuring we continue to keep our community safe on our beach.

Finally, we also wish to thank all levels of government for continuing to support surf lifesaving as well as Point Danger Branch, SLSQ and SLSA.

## GOLD

## SILVER

## BRONZE

After 7 years with a sad heart we say farewell to our wonderful President Mary Farrell, even though she will be no longer sitting on the Board, she will still play a massive role within the club and be sure to see her on the beach in her red and yellow.

Some fun facts about Mary:

**7 YEARS OF BEING THE CLUB PRESIDENT**

**FIRST FEMALE PRESIDENT AT PBSLSC & ONLY FEMALE PRESIDENT ON THE GC UNTIL 2019**

**3RD LONGEST SERVING PRESIDENT**

**WINNER OF THE 2022 WOMEN IN SURF AWARD**

**NICKNAMED "FAST AND FURIOUS FARRELL"**

**AWARDED THE MOST DISTINGUISHED MEMBER AWARD "PRESIDENT JACKET"**

Here is a beautiful poem written by our club's former Operations Manager, Jenny Southwell

"The members think she's amazing  
But she never takes the praise  
She's always there for Palmy  
In so many different ways

She's adored and respected  
Loved by our Palmy crew  
Where would we be without her?  
First Lady Erica and Brian too.

As a President, as a Trainer, as a mentor to our youth,  
as a Patrol Captain, in an IRB boat Crew  
As a beachie in a sprint race (the Fast and Furious  
Farrell)

There's just something about Mary  
That's special we all know  
There's just something about Mary.

She always had the supreme view

So take a break from leading  
Enjoy more time on the sand.  
You've worked hard for long enough  
The club is in great hands.

There's something about Mary  
That's special we all know.  
There's just something about Mary.

We thank you for your seven years of Presidential  
passion

Our supremo Palmy leader recognised  
as Local Legend and leader of Women in Surf  
Likes to shy away from fame  
Mixing politics with sport  
Has never been her game

Your commitment has been unbowed  
Let's raise a glass to Mary  
You make us so very (bloody) proud.  
Our Mary."

# Supporters Club President's Report

The supporters club continues to go from strength to strength with another great year 'upstairs'. As we know our stalwart GM Daragh moved on which left the door open for Ali to take the reins and put her own special stamp on the club, Ali has done that in spades. Ali and the team continue to break revenue and profit records for the club but just as importantly Ali has brought her own personal touch re-engaging our sustainability green team and implementing a staff wellness program as just two examples, the smiles on the teams face says it all. Congratulations Ali and the team on another great year and long may it continue.

There have also been a couple of changes to the committee with Donna Hollier stepping down after five years as Treasurer, in that role Donna saw us through COVID and helped implement our new accounting and reporting system as well as being part of the Team that helped the club recover to the financial position we are in today, thank you for all your efforts Donna. We welcomed Scott O'Neill as the new Treasurer who brings a wealth of knowledge from a surf club perspective and extensive experience in the private sector as an accountant.

I would also like to say a special thank you to all our Board members Raps, Leanne, Bags, Scotty R and Russ who have been part of this committee for many years and have all contributed to the great success the Supporters Club enjoys. We have a very harmonious and diligent board that always have the best interest of the Club both in their heads and in their hearts. Without all your efforts and dedication Ali and team would not be able to work the magic that they do day in and day out. Thank you!

Thank you to all our members and patrons for your support and we are looking forward to another amazing year in 2024-25..

Dale Scotcher  
Supporters Club President

# Supporters Club General Manager Report

What a year we've experienced! We welcomed another record breaking year, which took us a little by surprise as we hurdled several challenges with multiple constructions surrounding our beautiful beachfront oasis... coupled with the questionable weather over our hotter months. This didn't stop our amazingly loyal members from showing us their love and support throughout these times.

As we all know Daragh flew the coop and ultimately left me in the hot seat. A role I'm thoroughly enjoying and yes, facing many challenges along the way, however the support from our outstanding committee members and all of our staff has been incredible. Our committee is led by Dale Scotcher who has been instrumental in my new journey at the Club and I'm so very grateful for all the guidance. Finally, a very special thanks goes to the Senior management team, with whom I work so closely with and wouldn't be able to do this without them all!

This year saw the launch of our staff's Wellness Program – as we encourage each and every staff member to enjoy some time together on the beach front – fitness and team bonding is a massive part of maintaining our mental health and is something we've all loved doing. We spend each of our work days watching Palm Beach locals enjoy our seaside, so we're now doing it too. Should you ever see us, feel free to come and join.

The Club's Sustainability Plan is in full swing as we're about to see our Solar Plan finally hit the roof.

**With thanks to our Supporters Club committee**

President	Dale Scotcher
Secretary	Tony Rapallo
Treasurer	Scott O'Neill
Committee Members	Peter (Scott) Rawlings
	Geoff Bagnall
	Leanne Major
	Russell Francis

Our employee of the year was our long serving and incredible staff member Sue Best! She has spent almost 14 years with us here, which is a fantastic effort. Anyone who comes to the club will have met Sue as she resides happily on the front desk. This level of loyalty requires a round of applause... thank you Sue.

With the Club's core values and vision in full scope, I'm excited to face the next chapter with our incredible team. Keep watching our space as we navigate a few cosmetic changes on the horizon and continue to offer our locals the best food and view Palm Beach has to offer.
